**Booking Deadlines and Planning Criteria**

The purpose of this guide is to provide a clear explanation of the requirements for reserving space when using campus grounds and buildings, including indoor and outdoor venue space. In order to effectively manage the volume of event requests, all event organizers should be prepared to provide the criteria as outlined during the initial event planning meeting. Each contact will specifically state all deadlines for each event. If items are not received by the indicated deadlines, all or a portion of the event may be cancelled, and cancellation fees may apply—see appendix below. Senior Meeting & Event Planners have the discretion to select the most appropriate location for your event.

**Time, Place, and Manner Regulations**

Orderly behavior and the normal conduct of University affairs shall govern time, place, and manner of exercising free speech and advocacy. Regard for the privacy of others shall be observed, and reasonable precautions shall be taken against practices which would make persons on campus involuntary audiences. Activities that are determined to pose a risk to personal safety, university property, or facility security will be rescheduled until such time that adequate and appropriate security can be made available, as determined by UCI Police Department. Refer to UCI Administrative Policies and Procedures Section 905 (http://www.policies.uci.edu/policies/pols/905.php).

**Phase I: Initial Event Intake – Client Meeting**

Event lead times will vary based on the size and scope of an event; some events may fall under the Major Event policy. If an event inquiry or event information is received with insufficient processing time, then SCES will advise the client and assist the client in identifying viable alternative event dates. For example, an event with additional approvals or that requires resources from other UCI departments/external service providers will require additional processing time. A request that does not allow for the necessary processing time will necessitate the selection of a date further out that accounts for the time to obtain approvals and secure partner resources.

In order to effectively manage the volume of event requests, all event organizers should be prepared to provide the criteria as outlined during the initial event planning meeting.
**Action Item (Phase I: Initial Event Intake)**

### Event Name, Type and General Agenda

**Questions to Think About**

- When planning a large event, please make sure to develop an action plan. SCES Senior Meeting & Event Planners can help you to ensure you have a successful event.

- What type of event will you be hosting? What is the goal of your event?
  - Events are generally categorized as:
    - Art Exhibit
    - Banquet
    - Class/Workshop
    - Concert
    - Conference
    - Display/Structure
    - Fairs
    - Film Screening
    - Lecture
    - Meeting
    - Outdoor Tabling
    - Performance
    - Social Dance
    - Tournament
    - Video/Photo Shoot
    - Walk/Run
    - Speaker

- What is the name of the event and do you have an agenda?

**Consider This**

- Special requirements may be needed to ensure the safety of the campus community.
- Event time and locations can be determined to ensure the academic mission is not hindered.
- Time, place, and manner may be determined on a case-by-case basis.
- The UCI Police Department, EH&S, and Facilities Management may advise Senior Meeting & Event Planners during the many phases of event planning.
- Special requests may require insurance certificates.
- Environmental Health & Safety provides guidance for maintaining a safe environment.
- When planning outdoor or large events, Fire Marshal may need to review event layout.
- Other special requests such as animals at events, are reviewed by the Associate Vice Chancellor of A&BS.

### Event Client, Sponsor(s), and Co-sponsor(s)

**Questions to Think About**

- What is the name of the entity/department/organization(s) sponsoring this event that is financially and legally responsible for the event?
- Will a student organization, campus department or external entity be co-sponsoring this event?
- If so, provide the name of the sponsoring organization(s).

**Consider This**

- Rates are determined based on sponsor and co-sponsor type. SCES determines co-sponsorship based on other entities providing funding, participating in the planning, or being listed as an event sponsor on advertising.

  The UCI Conference Center defines co-sponsorship as events that meet one or more of the following criteria:

  1. More than one organization is involved in the planning process— which includes verbal and written instructions—and modifications to existing event contracts and/or
  2. Funding for the event comes from organizations or individuals other than the primary sponsor and/or
  3. Publicity of the event indicates sponsorship involvement including more than the primary sponsor or multiple sponsors.

- Co-sponsored events are subject to the corresponding rate based on the client type of the co-sponsor.

**Fees:**

- Not applicable

- Yes

### Ticketing or RSVP

**Questions to Think About**
- Will you be selling tickets to the event?
- Will you be requiring your guests to RSVP?

**Fees:** No

### Audiovisual and Technology

**Questions to Think About**
- Determine your A/V needs—sound, lighting, projection, microphones.
- Do you need handheld mics/lavs?
- Will the event be live streamed and shown on a website (if so, need that information).
- Where will the webcast run on the website?
- Who will caption the video? In-house or outsourced?
- Will the event be recorded? In-house or outsourced?
- Are you planning to provide your own equipment?
- Will you need access to a power source?
- Will you be showing a movie or video. If so, what format?
- Will a phone line be needed? Will you need a polycom?
- What calling area—California, Contiguous United States, or International?

**Consider This**
- Applicable fees are based on equipment and support services required.
- A plug and play fee may apply to use the house system, sound, live streaming, and/or filming the event.
- Charges may apply if special Ethernet/internet needs are required and services need to be ordered through OIT to accommodate.
- May require copyright approvals.
- Phone lines will have costs associated.

**Fees:** Yes

### Food

**Questions to Think About**
- Will you need food catered?
- Who is the caterer?
- Will you need linens from the caterer or other rental company?
- Will this be a banquet or cocktail?
- Will this be a buffet or served?
- What dietary and special needs?

**Consider This**
- If the event is at Student Center or Newkirk, UCI Dining has the first right of refusal.
- Food costs are determined by Hospitality and Dining Services or the chosen caterer if applicable.
- Food is not allowed in classrooms or lecture halls.

- Are you hiring an outside entity to perform services?
  - If not filmed or photographed by AntMedia, insurance may be required.
- All outside photographers, videographers, professional entertainment, equipment rentals, and other service providers will require insurance.

- No SCES charges for reviewing insurance.

Insurance

If indicated herein, Client shall provide University a Certificate of Insurance showing Commercial Liability coverage of at least $1 million per occurrence and $2 million aggregate. University may require more coverage depending on the size, scope and risk factors involved in the program. University strongly recommends groups with minors in attendance attain sexual molestation and abuse coverage. The Certificate of Insurance provided to University from Client shall include coverage for all participants, staff, and volunteers associated with the program, or shall include other language to demonstrate such coverage. Automobile Liability with a combined single limit of at least $1,000,000 for bodily injury and property damage shall be required if vehicles will be driven by Client or its representative, participant, or guest on any portion of the campus other than open public roads and designated parking lots. Client must obtain authorization from University in writing prior to any such activity. Any third party vendor that provides services for the event (e.g., equipment rentals, florist, photographer, balloon vendor, transportation to and from campus, etc.) shall insure, at its sole cost and expense, its activities and obtain, keep in force, and maintain insurance. If Client intends to use a third-party vendor (even if the services are provided to Client free of cost), Client shall notify University more than 15 days prior to the event start date. External vendors must be approved by University, and are required to provide evidence of coverage, before they can provide services on University property. University shall provide to Client the types and limits of insurance that it requires of the third-party vendor. Certificates of Insurance shall include The Regents of the University of California as additional insured and obligate the insurers to notify University at least 30 days prior to cancellation of, or a change in, insurance coverage. Client shall furnish University with Certificates evidencing compliance with all requirements more than 15 days prior to the event start date. Failure to meet any of University's insurance requirements shall make this contract null and void and will result in cancellation of the event at Client's expense.

SCES Late Fees

Fees vary based on client type.

Registered Campus Organizations

Late Reservations

New reservations need to be made with adequate lead time. Reservations made within 15 days of the event date are considered late. While University will try to accommodate late reservation requests, staffing and resources may not be available or may be difficult to arrange last minute. If a late reservation can be contracted less than 10 days prior to the event start date, a $25 late booking fee will apply. The late booking fee covers administrative costs only and is in addition to the standard costs associated with venues and resources to support the event.

Late Changes

Changes to an existing reservation need to be made as far in advance as possible. Changes made within 15 days of the event date are considered late. While the Student Center will try to accommodate late reservation requests, staffing and resources may not be available or may be difficult to arrange last minute. A $75 late change fee applies to each request for changes made with less than 10 days notice from the event start that affect Student Center & Event Services staffing including (but not limited to) layout changes, earlier pre/event start times or later post/event end times, adding an event lead or AV tech, etc. The late change fee covers administrative costs only and is in addition to the standard cost associated with the staffing or items being added to the reservation.
